Revised: January 2005

To locate records in the Diocese of Kansas City ~ St. Joseph, please note the following:

All questions concerning **orphanage records** should be referred to: Catholic Charities, 1112 Broadway, Kansas City, Missouri 64105. Please direct telephone inquiries to: (816) 221-4377, or (800) 875-4377.

People seeking **school transcript** information of any kind should contact: Diocesan School Office, (816) 756-1850.

Requests for **Sacramental record** information held at the Chancery, and requests for historical information, should be sent to the Reverend Michael Coleman, at the Diocesan Archives, (816) 756-1850.

If the person seeking sacramental documentation knows where the sacrament was celebrated, the records of **all open** parishes are in the parishes, with the exception of St. Monica's records. Records at that parish begin in 1991, all the rest are at Chancery.

Persons seeking sacramental documentation from parishes in Kansas City or St. Joseph may be asked to supply a street address or part of the city in which the person lived.

Mount St. Mary Cemetery maintains its own card file on burials: 2201 Cleveland, Kansas City, Missouri 64127. Please direct telephone inquiries to: (816) 241-7663.

Calvary Catholic Cemetery is privately owned. Please direct inquiries to: 6401 Troost, Kansas City, Missouri, (816) 523.2114.

One point of confusion for the metropolitan Kansas City area: during Bishop Cody's tenure, he decided that since St. Mary Parish in Independence had first claim on the title, all other St. Mary parishes in the area would be given titles of the Blessed Mother. Hence, Lee's Summit became Our Lady of the Presentation; St. Mary on Swope Parkway became Immaculate Heart of Mary.

Another point of confusion: the Diocese of Kansas City-St. Joseph, which is entirely located in the state of Missouri. The Archdiocese of Kansas City in Kansas is located in the state of Kansas. The two have no connection civilly or ecclesiastically. If you are seeking records from the archdiocese, please telephone: (913) 721-1570.

Closed Schools and Closed Parishes Sacramental References:

Due to the fact that in earlier days Catholics were so few in northwest Missouri, sacramental records are widely scattered, depending on where the priest was coming from at the time. The records from towns north and east of St. Joseph have been computerized to make it easier to find records. Also keep in mind that what is now the Cathedral parish in St. Joseph was founded in 1845. The priest who served the area from Maryville into Gentry County in the 1850s to the Civil War lived at Conception at times, and at the Cathedral in St. Joseph at times.
