Circle of Grace Again... Really?

Philosophy

What is a Circle of Grace?

The Catholic Church teaches that God has created each of us as unique and special. Genesis 1:27 tells us that we are created “male and female in God’s image” and that God saw this as “very good.” In that goodness, we are meant to respect ourselves and everyone else as persons created and loved by God.

Adults assist young people to recognize God’s love by helping them to understand that each of us lives and moves in a *Circle of Grace*. You can imagine your own *Circle of Grace* by putting your arms above your head then circle down in front of your body including side to side. This circle, front to back, holds who you are in your body and through your senses. It holds your very essence in mind, heart, soul, and sexuality.

Why is it important to help our young people understand the Circle of Grace?

God intends our relationships in life to be experiences of divine love. Respectful, nurturing, loving relationships increase our understanding of our own value and help us to love others. It is never too early to help young people understand how very special they are and how relationships in life are called to be sacred. Understanding this can help them to protect the special person they are and to be respectful of others.

Adults, as they strive to provide a safe and protective environment, hold the responsibility to help young people understand and respect their own dignity and that of others. A truly safe and protective environment is one where young people recognize when they are safe or unsafe and know how to bring their concerns, fears, and uncertainties to the trusted adults in their lives.

How is the Circle of Grace Program different from other protection programs?

According to research, one in four girls and one in seven boys will be sexually abused by age eighteen.¹ Many protection programs focus on “stranger danger,” however, up to ninety percent of the time the perpetrator is a relative, family friend or other person known to the child/young person. *Circle of Grace* goes beyond just protection by helping young people understand the sacredness of who they are and how to seek help through their relationships with trusted adults.

Goal of the Circle of Grace Program - Grades K-12

The goal of the *Circle of Grace* program is to educate and empower children and young people to actively participate in a safe environment for themselves and others.

Objectives of the Circle of Grace Program - Grades K-12

- Children/Young People will understand they are created by God and live in the love of the Father, Son, and Holy Spirit.
- Children/Young People will be able to describe the *Circle of Grace* which God gives each of us.
- Children/Young People will be able to identify, discern and maintain appropriate physical, emotional, spiritual, and sexual boundaries.
- Children/Young People will be able to identify all types of boundary violations.
- Children/Young People will demonstrate how to take action if any boundary is threatened or violated.

Leader Guidelines

- A **Leader** is defined as clergy, administrator, director of religious education/formation, teacher, or catechist who has been trained to teach the *Circle of Grace* Program.
- Every leader should read the Philosophy, Goals and Key Concepts to better understand and prepare to teach the *Circle of Grace*. The Key Concepts review the essence of the curriculum, that God is always present in our *Circle of Grace* because He desires an intimate relationship with His children.
- The time frame may vary depending on size of class, age of young people, amount of discussion, etc.
- Vocabularies with definitions are intended for the leader. The explanation of vocabulary should be integrated within the context of the lessons to assist the young people in their understanding of the *Circle of Grace* Program. The depth of the young people's understanding will depend upon their age and developmental stage. A master vocabulary list of the *Circle of Grace* Program is included in all lesson plans. The pertinent vocabulary is listed in each lesson.
- If possible it is always "best practice" to have two adults in the room during the lesson due to the sensitive nature of the material.
- The 9-12 curriculum is formatted to be used in two ways:
 - ✓ The traditional way: lessons to the identified grade.
The lesson for grade 12 is only to be taught to seniors.
 - ✓ The second way: select any one of the 9-11 sections or alternate lessons to teach the class or group. Remember that all four lessons in grade 9 equal a section and must be taught together. One may consider presenting the 9th grade lessons as a retreat. Leaders will need to keep a record of what lesson is taught each year.
- Ongoing reinforcement of the concepts is encouraged throughout the year. Hopefully, the language of *Circle of Grace* will become a part of a positive culture of respect, care, and faith that will help protect our young people and help them to know what to do when they feel unsafe.
- Your Administrator, Religious Education Director, or Youth Minister Director will be sending out a letter to all parents regarding *Circle of Grace*. Lesson specific parent information should be handed out as directed. The Parent Packet is included in the Program. Every parish/school is encouraged to provide parent education opportunities both to inform parents about the *Circle of Grace* program and to foster greater communication in families.
- Evaluations for each grade are to be completed and returned to the School Administrator or the Director of Religious Education/Formation. The evaluations will be used to complete the Summary Evaluation that is used for ongoing improvement of the program and for the audit records.

Summary of the Key Concepts of “Circle of Grace”

God gives each of us a Circle of Grace (see below) where He is always “Present”:

*Raise your hands above your head, then bring your outstretched arms slowly down.
Extend your arms in front of you and then behind you
embrace all of the space around you
slowly reach down to your feet.
Knowing that God is in this space with you. This is your Circle of Grace; you are in it.*

God is “Present” because He desires a relationship with us.

- God is with us when we are happy and sad. God does not cause bad things to happen to us. He loves us very much.
- God desires to help us when we are hurt, scared or confused (unsafe).
- Having faith may not take away all of life’s struggles. It is because of these struggles, God promised to always “be present”; providing guidance and comfort in our time of need.

God helps us know what belongs in our Circle of Grace

- Our feelings help us know about ourselves and the world around us.
- God helps us know what belongs in our Circle of Grace by allowing us to experience peace, love or contentment when something or someone good comes into our Circle of Grace.

God helps us know what does not belong in our Circle of Grace

- God desires to help us when we are hurt, scared or confused (unsafe).
- The Holy Spirit prompts (alerts) us that something does not belong in our Circle of Grace by giving us “a funny or uncomfortable feeling” that something is not safe. This feeling is there because God wants us to be safe.

God helps us know when to ask for help from someone we trust.

- God gives us people in our lives to help us when we are troubled or struggling with a concern.
- God wants us to talk to trusted adults about our worries, concerns or “uncomfortable feelings” so they can help us be safe and take the right action.

High School Alternate Lesson

Sometimes young people reveal personal information or details about incidents that, in order to respect confidentiality, need to be handled outside of the group environment. If this happens, tell the young person, "Thank you for sharing that, _____. That sounds really important. I will talk to you about that later (at the end of class, at the break, as soon as humanly possible, etc.)." When this happens, be sure you talk to the young person at your first opportunity and alert the administration. Remember that you are the responsible reporter in cases of suspected abuse.

This lesson complements the following Catholic teachings:

- Church teaching revealed in the Creed that applies to our daily lives

Getting Started

Vocabulary Review

Circle of Grace: The love and goodness of God that always surrounds me and all others.

Circle of Virtue: Our response to the invitation of God's grace by cultivating goodness and virtue in our lives.

Introduction and Discussion-

Many of you have participated in the *Circle of Grace* curriculum for several years. You may be thinking "I already know this stuff". Now that you are teens, let's explore the following question: "Do you really BELIEVE the curriculum's core concept?"

This concept is:

**God gives each of us a *Circle of Grace* where He is always "Present".
He is "Present" because He desires a relationship with us!**

Give the youth an opportunity to respond to the question. Prompt them to identify when it is hard to believe this concept and when it is easy. Write the responses on the board.

The more we cultivate our relationship with God (Circle of Virtue) the more He is able to guide and help us in our lives.

- What does cultivate mean?
- Does cultivating a relationship with God take time?
- What other elements does it take?
- Is it hard to cultivate a relationship with God in a culture that is so immediate?

Give the youth an opportunity to respond to the questions. Prompt them to identify when it is hard to believe the Circle of Virtue concept and when it is easy. Write the responses on the board.

Activity

- 1) *Pass out the Summary of the Key Concepts of Circle of Grace, Circle of Grace Game and a Circle of Virtue Worksheet. (Copies at the end of the lesson)*
- 2) *Divide the class into several groups.*
- 3) *Supply them with newspapers, magazines, art supplies, note cards and a white poster board.*

- 4) *Give the group 20-30 minutes to make a game using the Circle of Grace Game handout.*
- 5) *Next, have the group complete the Circle of Virtue worksheet.*
- 6) *Bring them together in a large group.*
- 7) *Have each group present and explain their game. If time allows, groups may play each other's games.*
- 8) *Lead a large group discussion reviewing the Circle of Virtue worksheet.*

Discussion –

Hopefully we now have a better understanding of the *Circle of Grace* and the *Circle of Virtue*. It is important to remember that all relationships take time and need cultivation. Let's brainstorm ways to help remind us of these concepts. In our "texting" culture, OMG is frequently used but in a disrespectful and negative way. Let's develop positive text abbreviations that will remind us of what we learned today. We are going to take the five points under each concept and brainstorm possible abbreviations. An example is COG can represent God is "present" in our *Circle of Grace*.

Write each of the five points (on the handouts) under the headings Circle of Grace and Circle of Virtue. Write down the youth's ideas under each point. After you have several ideas, have the youth vote for their favorite one under each heading. Pass out file cards and instruct the students to write down these abbreviations. Have them write down the name of 2-3 adults they can talk to if they have concerns.

Take Home Activity - Instruct the youth to take home the handouts and cards to review with their parents. Handouts and cards need to be signed by a parent and brought back to the next session.

Closing Prayer:

**God help me slow down
and be present to Your everlasting love.
Help me have REAL conversations with You
that guide and heal my brokenness.
Cultivate in my heart Your truth
and help me respond to Your Grace.
Give me courage to reject the lie
that You are a “distant” God.
Bless me with the gift of discernment,
knowing Your compassion and love is not relative
but eternal.
Your greatest desire from me
is my sincere “yes”.**

Amen
