

PARENT ATTESTATION FORM REGARDING COMPLETION OF REQUIRED SAFETY TRAINING

The Diocese of Kansas City – St. Joseph requires that all children and youth receive training in *Circle of Grace* every year. Due to COVID-19, this safety training may be taught by parents when live, in-person classes or virtual sessions with parishes/schools are not possible.

To meet the compliance requirements of the United States Catholic Conference of Bishops (USCCB), this form must be completed by the parent/guardian attesting that this training has been completed using the provided *Circle of Grace* materials.

After providing the *Circle of Grace* training, please complete this form and return it to your parish or school representative. One form should be completed for each child/youth receiving training at home. Your signature is your attestation that this training was delivered as required by the Diocese of Kansas City – St. Joseph.
