

FOR VOLUNTEERS WITH NO VIRTUS® ACCOUNT

Dear Volunteer:

The Diocese of Kansas City-St. Joseph is committed to providing a safe environment for children, youth, and vulnerable adults. The Diocese of Kansas City-St. Joseph requires all volunteers who will be in contact with children/youth, or who will be supervising minors or vulnerable adults, to comply with our safe environment program requirements. These requirements include the following and are documented in a VIRTUS® account:

1. Attendance at a VIRTUS® *Protecting God's Children for Adults* workshop within 60 days of beginning service
2. Reading and acknowledging commitment to the Diocesan Code of Conduct – *Ethics and Integrity in Ministry (EIM) Code of Conduct Policy*
3. Providing consent to a background screening every 5 years with service contingent upon screening results

Special Note: If you have previously attended a *Protecting God's Children for Adults* workshop in our diocese or another diocese, you do NOT need to establish a new VIRTUS® account. Please email ocyp@diocesekcsj.org to request assistance.

Please follow these steps to establish your VIRTUS® account and meet our safe environment program requirements. **Please use a laptop or PC as the process is not fully supported by using a smart phone or tablet such as an iPad.** We recommend that you allow 30-40 minutes to complete this process.
